My Story:

Wants to donate blood
Difficult to make appointments

“

Quote:

Needs:

- Easy way to book blood donations
- appointments
- Requires, accessibility options
- Simple user interface

Frustrations:

- Overly technical solutions, need for smartphone
- Small texts on websites, no accessibility options.
- Re-Registration required after moving from Oslo to Bergen.

Goals:

- Book appointments via phone-call or website
- Bad eyesight to not be an obstacle to use the system.
- Receive clear reminders & instructions

Environment:

- No smartphone
- [Empty box]
- [Empty box]
